

Vacancy Announcement

UNOPS mission is to serve people in need by expanding the ability of the United Nations, governments and other partners to manage projects, infrastructure and procurement in a sustainable and efficient manner. To ensure more effective support and oversight of ongoing projects/programmes and facilitate the development of new projects/programmes, UNOPS established its Cambodia Office in early 2013. This Office oversees a regional portfolio that includes a multi-donor funded project to support the Extraordinary Chambers in the Courts of Cambodia (ECCC) and a GFATM funded programme to help contain and eliminate malaria in Cambodia.

UNOPS Cambodia is in the process of bidding for the Access to Finance for Small Electricity and Water Operators in Cambodia – Support Program to Foreign Trade Bank of Cambodia (FTB) 's Consulting Services. Consequently, we are looking for experts as below to join the team of professionals (finance, risk management, business development, water engineer, electrification engineer, etc.) to deliver technical services to FTB.
