

DR. TAN TYNG YUAN
THE HAIR & LASER CLINIC, SINGAPORE

Dr Tan Tyng Yuan is the Clinical Director of **The Hair & Laser Clinic** in Singapore, a clinic with special interest in Hair Transplants, Hair Regrowth and Medical Aesthetics. She is one of the few Medical Practitioners who are able to perform Hair Transplants using Follicular Unit Extraction (FUE) and Follicular Unit Transplant (FUT) techniques.

These Transplant techniques are similar to those used by famous celebrities like Elton John, Wayne Rooney and Nicholas Cage to battle Male Pattern Baldness. She also administers Low-Level Laser Therapy (LLLT) to stimulate the scalp for Hair Regrowth. **The Hair & Laser Clinic** is a one-stop Clinic for effective Medical solutions for Hair Loss, using both Surgical and non-surgical treatments.

Dr Tan's **The Hair & Laser Clinic** is affiliated to the renown **Cole Hair Transplant Group** based in the USA. Led by Dr John Cole, one of the pioneering doctors in Hair Transplantation (FUE), he has clinics both in Florida and Georgia. You can find out more about Dr John Cole and his special FUE technique- known as the CIT, here (www.forhair.com). She has also trained overseas under famous plastic surgeons both in Asia and in the USA in Hair Transplantation before returning to start her practice in Singapore.

Dr Tan spent more than 10 years in the United Kingdom in her pursuit of academia and medical training. She obtained her Bachelor of Medicine, Bachelor of Surgery (MBBS) from the prestigious University College London. She then worked in England covering postings in Medicine, Surgery and Orthopaedics. Dr Tan has also extensively certified in the operation of Aesthetics Lasers, Botox, Fillers, IPL and Chemical Peeling.

Dr Tan believes in the importance of putting her patient's interests first and keeps up to date with the latest medical advancement. She is an active member of various prestigious hair and aesthetics international organization, such as the *International Society of Hair Restoration Surgery*, *The Asia Association of Hair Restoration Surgeons*, *The American Academy of Anti-Ageing Medicine* and *The American Academy of Aesthetic Medicine*.
